Overnight Ramp Closure
Beginning April 23 at 10 p.m.

Overnight Closure of Southbound Doyle Drive to Southbound Highway 1 for Traffic Shift

Friday, April 23 at 10 p.m. through Saturday, April 24 at 10 a.m.

From Friday, April 23 at 10:00 p.m. through Saturday, April 24 at 10:00 a.m. the ramp from southbound Doyle Drive/Hwy 101 to southbound Hwy 1/Park Presidio Boulevard will be closed.

Optional vehicle trips should be avoided during this closure. Closures times were selected due to the expected low volume of traffic. Dates are subject to change due to weather and unforeseen circumstances.

Highway 1/Ruckman Bridge Traffic Shift

This overnight closure is necessary to shift traffic from the existing Ruckman Bridge, north of the MacArthur Tunnel on Highway 1/Veterans Boulevard, onto a new temporary bridge structure adjacent to the existing Ruckman Bridge. Construction of the Presidio Parkway has been carefully planned to allow mainline traffic to flow during construction of the new roadway. This traffic shift allows traffic to continue moving while the permanent Ruckman Bridge is built.

Motorists should be aware of the new roadway configuration and use caution in construction zones.
