Overnight Closure of Northbound Hwy 1 to Northbound Hwy 101
USE ALTERNATE ROUTES

Friday, June 18 at 10 p.m. through Saturday, June 19 at 11 a.m.

From Friday, June 18 at 10:00 p.m. through Saturday, June 19 at 11:00 a.m. the ramp from northbound Hwy 1/Park Presidio Boulevard to northbound Hwy 101/Doyle Drive will be closed.

Optional trips should be avoided during this closure. Motorists should avoid northbound Highway 1 in San Francisco during this time.

Northbound Highway 1/
Ruckman Bridge Traffic Shift

This overnight closure is necessary to shift northbound traffic to the former southbound lanes of the Ruckman Bridge to allow work to begin on the permanent replacement bridge. Southbound traffic was shifted onto a new temporary bridge in late May.

Construction of the Presidio Parkway has been carefully planned to allow mainline traffic to flow during construction of the new roadway. Accordingly, this shift allows traffic to continue moving while the permanent Ruckman Bridge is built.

Please see back for official detour routes.

Motorists should be aware of the new roadway configuration and use caution in construction zones.

Please visit www.PresidioParkway.org for the most up-to-date information.

Reference June 10, 2010
