MCDOWELL AVENUE UTILITY WORK EXTENDED TO JANUARY 4, 2010 MCDOWELL AVENUE CLOSED DECEMBER 16-18

Utility relocation activity on McDowell Avenue has been extended and is expected to occur through January 4.

From December 16 through 18, McDowell Avenue will be closed and vehicles will be detoured to Halleck Street to access Mason Street. Crissy Field businesses will remain open. During the road closure, the PresidioGo Around The Park route stops 6, 7 and 8 will not be available.

Access to the U.S. Park Police Stables and the Park Archives building will be provided via Lincoln Boulevard to McDowell Avenue.

There is expected to be one way traffic control until January 4 for utility installation, trench backfilling, and repaving.

Please follow instructions from traffic controllers and construction signage. All dates are subject to change due to weather and unforeseen conditions.

Please see the map below for the closure location and detour routes.
