Several roads in the Presidio will be closing in the coming weeks in preparation for the upcoming weekend closure and traffic shift on Doyle Drive this spring.

Halleck Street will close in stages in order to keep the connection from the Main Post to Crissy Field open as long as possible. Southbound Halleck Street and a portion of Gorgas Avenue will close on April 16 at 7:00 a.m. Marshall Street will remain open for southbound motorists to reach the Main Post.

See the reverse for the long-term road closures and circulation changes in the Presidio.

These roads must be closed to construct the at-grade temporary detour road and complete the replacement of Doyle Drive.

A historic event is on the horizon – Doyle Drive will be coming down! Doyle Drive will be closed one weekend, April 27-30, from 8:00 p.m. Friday to 5:00 a.m. Monday. This closure is necessary to demolish portions of Doyle Drive and permanently move traffic onto a seismically safe, temporary bypass made up of the new bridge and tunnel and a temporary roadway. For more information, visit www.presidioparkway.org/weekendclosure
**Long-Term Local Road Closures Beginning April 23**

**LONG-TERM LOCAL ROAD CLOSURES**

**On April 23,** Northbound Halleck Street and Marshall Street will close. The slip ramp (left exit to the Presidio from Richardson Avenue) will close shortly after. Halleck Street will reopen when the project is complete. Marshall Street and the slip ramp will remain closed permanently.

Lincoln Boulevard in front of the National Cemetery was reopened the week of April 9 and can be used to travel around the temporary detour via McDowell Avenue or the Lombard Gate.
