Extended Hours for Ruckman Bridge and Hook Ramp Construction

March 31, 2011

Dear Presidio Residents,

From Saturday, April 2 through late June, there will be extended work hours in order to make up for rain delays and to expedite completion of key elements of the Hwy 101/1 interchange. These extended hours will facilitate completion of this section of the project, including the Ruckman Bridge, the Hook Ramp (NB Hwy 101 to SB Hwy 1 connector ramp), and the realignment of southbound Hwy 101 to southbound Hwy 1.

Ruckman Bridge

Work hours for the Ruckman Bridge will be Monday to Friday, 7 am to 7 pm, and Saturday, 8 am to 8 pm. Storey Avenue will be closed during this activity.

Hook Ramp

Crews will be working double shifts on the Hook Ramp Monday to Friday, from 7 am to 1 am the next morning. Lighting will be directed away from homes.

We greatly appreciate your patience as we work to complete this critical portion of the project. Please contact us if you have any questions.
