As part of the work to improve circulation around the Southeast Visitor Plaza, on **November 30 from 10:00 p.m. to 5:00 a.m.,** the last northbound exit on Highway 101/Doyle Drive just before the Golden Gate Bridge Toll Plaza will be closed. There will be no access to the Southeast Visitor Plaza area or Lincoln Boulevard from northbound Highway 101 or northbound Highway 1 during this closure. Drivers should use local roads to access Lincoln Boulevard.

Drivers traveling between the Richmond and Marina Districts should use city streets during this closure.

See below for detour routes.

All dates are subject to change due to weather and unforeseen conditions.
EAST TOLL PLAZA IMPROVEMENTS

In order to improve traffic circulation at the intersections of Merchant Rd./Lincoln Blvd. and Southeast Visitor Plaza/ northbound Highway 101 to the Merchant off-ramp, crews will:

1. Implement all-way stop at the Merchant Rd./Lincoln Blvd. intersection to improve the operation of the intersection.
2. Remove and reconstruct the center median island on Merchant Rd., widen the roadway and restripe to create two lanes in each direction, increasing storage and intersection capacity.
3. Widen the northbound Highway 101 off ramp in order to create separate left and right turn lanes.
