

Neighborhood Update *Night Work for Toll Plaza Intersection Improvements*

November 16, 2011

Dear Presidio Residents,

Due to traffic and safety concerns, the work to improve the northbound toll plaza off-ramp and the southeast Visitor Plaza/Lincoln Boulevard/Merchant Road intersection **must occur at night**.

The project will be implemented for approximately three weeks (weather permitting), beginning Wednesday, November 16. Work hours are 7 pm to 5 am each work night. There will be a detour in place, except during ramp closures referenced below. Please see the map below for the detour route. Work will not occur over Thanksgiving weekend.

As mentioned in our previous letter, **the last San Francisco exit will be closed on Wednesday, November 16, and Thursday, November 17, from 10 pm to 5 am**. There will be additional ramp closures at the end of the project; an advisory will be emailed when the dates for these closures are finalized. Please sign up to receive project advisories at www.presidioparkway.org/contact.

We apologize for the disruption associated with this work.

Please contact us or check the website for updated information.
