Neighborhood Update *Night Work for Paving*

September 16, 2011

Dear Presidio Residents,

From Saturday, September 17 at 8pm to Sunday, September 18 at 11am, there will be night work along southbound Doyle Drive/Highway 101 for grading and paving. The work will occur along the highway shoulder, at the approach to the new High Viaduct and on the roadbed for the new hook ramp.

Work will include the use of heavy equipment and back-up beepers. This work must happen at night as it requires lanes closures on southbound Highway 101/Doyle Drive and the off-ramp to southbound Highway 1/Park Presidio Boulevard.

See the map to the right for work areas.
