

RE-ENVISIONING DOYLE DRIVE

135 Main Street, Suite 1600 • San Francisco, CA 94105

April 18, 2011

Geotechnical Investigation Activity – Beginning Wednesday, April 20

There will be geotechnical investigation activity in the parking area behind the Gorgas Warehouses, adjacent to Richardson Avenue, **beginning Wednesday, April 20 and continuing for approximately two weeks**. Work is expected to occur Monday – Friday, between 7:00 a.m. and 7:00 p.m.

Each drill/test site will impact approximately five parking spaces and work at each site will last between two hours to one and a half days (*no more than two drill sites will be impacted simultaneously*).

Areas to be impacted will be identified in advance.

See the map for the specific drill/test locations.

After this work is complete there will be potholing to verify existing utilities in this area. Details to follow.
