**EXTENDED WEEKEND CLOSURE OF DOYLE DRIVE**

**July 9 - 13, 2015**

**CLOSURE QUICK FACTS**

- Thursday, July 9 at 10:00 p.m. through Monday, July 13 at 5:00 a.m.
- Drivers should avoid the closure area
- Golden Gate Bridge to Hwy 1/19th Ave. will remain open; however, expect major delays
- Travelers during Friday commute times are expected to experience the most significant delays
- The public is encouraged to use buses, ferries or the Bay Bridge
- No access to Hwy 101 from Marina Boulevard or Lombard Street
- Businesses in the area will be open

During the closure, crews will finalize roadway connections and transfer traffic to the new permanent roadway.

**THE ROAD TO COMPLETION**

There will still be a lot of work to do after traffic is shifted to the new roadway. Construction activity will continue into mid-2016 and will include removing the temporary bypass, reconstructing Halleck Street, replacing historic buildings, covering the tunnels and installing final landscaping.

**All dates are subject to change due to weather and unforeseen conditions. Please visit [www.PresidioParkway.org](http://www.PresidioParkway.org) for up-to-date information.**
PERMANENT PRESIDIO PARKWAY FEATURES

- Completed Main Post Tunnels and Battery Tunnels
- Completed bridges: the 115-foot High Viaduct and a series of Low Viaducts
- Separated medians, wider lanes and continuous safety shoulders
- Restored connections between Highways 1 and 101
- New on- and off-ramps to the Presidio and Marina Blvd.
- New bike lanes on Girard Rd./Marina Blvd.

VISUALIZING THE NEW ROADWAY

Traffic will travel through two sets of short tunnels

Opening the Northbound High Viaduct will restore all Hwy 1/101 connections

Low viaducts will provide new direct access to the Presidio and Marina
